

High School Volunteer Precepts

1. I know that I should set a good example for students by my manner, appearance and behavior.
2. I must not wear any clothing items that violate the Broward County School Dress Code. Shorts above mid thigh, halter tops or low cut blouses are not appropriate attire for volunteering.
3. I must always sign in and out of Falcon Cove on the computer in the front office. I will come to Falcon Cove at the end of my volunteering for the record of hours I've volunteered and to have my form signed so that I can turn it into my guidance counselor at Cypress Bay.
4. I must wear my Cypress Bay Photo ID with the Falcon Cove sticker at all times when helping at Falcon Cove. I will not be allowed to volunteer without it.
5. I must adhere to the schedule that I've created with my teacher/ staff member. They are counting on me to arrive on time and to come on the days that I have arranged.
6. I am assigned to a specific teacher or area. I am not allowed to visit any other teachers or areas. I realize that if I am caught wandering the halls, visiting other teachers, or not with my assigned teacher, I will be dismissed as a Falcon Cove Volunteer.
7. If I ever overhear anything about a Falcon Cove student, I must never repeat it to anyone, what happens at Falcon Cove stays at Falcon Cove.
8. I am aware that I must commit to 20 hours of volunteer service at Falcon Cove. I will not receive any credit for volunteering unless I complete a minimum of 20 hours.
