Listed below are the elective courses that are offered at FCMS for 7th grade.

All 7th graders will take **Language Arts, Math, Science, and Social Studies (Reading will depend on FCAT scores)**. Students scoring Level 4 or above on the FCAT Reading SSS meet criteria to be placed in advanced language arts, science, and social studies. Students scoring Level 4 or above on the FCAT Math SSS meet criteria to be placed in advanced math. Virtual Counselor will place students in academic courses based on the previously stated criteria. **Your student’s academic placement may be adjusted by their core teachers or in accordance with the 2014 FCAT scores. If you are not in agreement with your child’s placement for the 2014-2015 school year when virtual counselor scheduling is completed, it is your responsibility to meet with your child’s guidance counselor to sign the academic waiver by May 30, 2014.**

Per state legislation, middle school students are required to take one semester of Physical Education each year in 6-8 grades. **If Physical Education (P.E.) is not your child’s elective choice, then a parent/guardian must sign the waiver below.**

The P.E. requirement shall be considered waived if

1. The student is in a required remedial course.
2. The student participates in physical activity outside of school equal to or in excess of the requirement.
3. The parent requests an alternate elective from the list below.

I, \_\_\_\_\_ (parent/guardian signature) understand that I am waiving the state’s physical education requirement.

**ELECTIVE CHOICES** -- Course descriptions are available for review at the online course directory located at [www.falconcove.net](http://www.falconcove.net)

Students have two elective choices. You may choose from full year electives or half-year electives. Students must also select an alternate elective. Place a check mark next to the full year elective and/or the two half-year electives desired.
